10361. c 45.

THE POLL

FOR

MEMBERS of PARLIAMENT

For the CITY of

NORWICH,

Taken the 27th Day of *March*, 1761.

CANDIDATES,

HARBORD HARBORD, Esq;
EDWARD BACON, Esq;
ROBERT HARVEY, Esq;
NOCKOLD TOMPSON, Esq;

NORWICH:
Printed by WILLIAM CHASE, MDCCLXI.

[Price One Shilling.]

BRITISH MUSEUM

AS a formal Preface to a Book of this Nature is not to be expected, it may be ſufficient to ſay, that the greateſt Care has been taken in the Examination of this with the Original Poll, and we believe there are no material Errors, but what are taken Notice of in the Errata.

The Numbers upon the Declaration were, for Mr. Harbord 1729, *Mr.* Bacon 1507, *Mr.* Harvey 501, *Mr.* Tompſon 715; *but on a ſecond caſting up, Mr.* Tompſon *was found to have* 718, *and Mr.* Harvey 499.

There will indeed be found many Electors in Pariſhes different from their Reſidence; but as they were entered in the Original Books, (occaſioned by the Noiſe and Hurry always attending Elections) it was thought proper to print them as they ſtand in the Poll; and we have added at the End a Liſt of ſuch as have come to our Knowledge.

INDEX to the Parishes, &c. with the Number of Voters in each.
